*Intelligent Kitchens for  
**Smarter Living**  
Smarter Living*

*Not just Kitchens...  
...Kitchenscapes*

At **Klass Kitchens** the science of **kitchen design** has been developed into an art form **aiming not just at kitchens but converting them into spaces** you would love spending time in. We believe that the **kitchen as the heart of the home** should project **warmth n comfort**.

#### What we can offer you:

- Marine ply carcass & shutters with a variety of finishing options - laminate/ veneer/ polyacrylic/ German acrylux & PU. Also we can provide Solid TW, rubberwood, birchwood, ashwood shutters for country type kitchens.
- Accessories in authentic AISI SS 304 grade steel, with an encompassing range which are designed specifically for a distinctive purpose.
- Chimneys, hobs, ovens, microwaves, dishwashers n washing machines from some of the best companies in the industry such as Faber, Kaff, Siemens, Indesit, IFB and many more.
- We offer 1 year warranty for the entire Kitchen against any manufacturing defect.
- Our kitchens are fitted with Hardware from reputed brands like with Hettich, Grass.
- Customised sizes for existing counter tops.
- Advanced software design for kitchens to give multiple design options to the client.
- Well Planned Kitchen display centre to showcase product range.
