Klass Interiors

Functionality with simplicity & Elegance

We are Klass Interiors, specialists in creating furniture attuned to our client's requirements. We successfully blend economy with design and innovation with style, always overwhelming the creative and technical aspirations of our clients.

Today Klass Interiors is widely recognized as a furniture design company with incessant creativity, discerning taste and a panache for meticulous execution. Merging the organic with geometric, the artistic with the practical and the outré with the quotidian _ Klass Interiors stamps each of its creations with an unparalleled distinctiveness and style.

Founded as a small design company by Mr Lalchand Nichani in 1970s, Klass Interiors has grown many folds over the past decades into an integrated furniture solution company.

Adhering to the motto of economy, excellence and ethics. Klass Interiors has achieved business without compromising on its value system. In the process it has won the trust and confidence of architects , interior designers, customers and associates alike.

At Klass Interiors, we believe that every design, simple or complex can become an object of innovation. Our USP is providing out of the box solutions to standard problems. The outcome is furniture that is contemporary, functional and refreshingly different.

ABOUT US

As we've grown our passion for design has deepened. Design drives everything that we do – our processes, our product line and our business identity. Even as we place design at the centre of everything we do, we strongly believe that people are at the centre of design. Our team makes intelligent use of their life experiences to execute user friendly design ideas.
